No Assets are being transferred by Client to Algo pursuant to this Agreement.

5.5 Reports. Not more frequently than weekly, Algo shall provide to Client, in a form reasonably acceptable to Client, progress reports that enable Client to review and analyze the provision of the Services and the accuracy of the fees charged under this Agreement.

To the extent the cause of a Service Problem falls within the responsibility of Algo, as reasonably determined by the parties in good faith, Algo shall provide to the applicable Third Party Supplier and Client, as requested, reasonable assistance and support to resolve the Service Problem. In no event shall such assistance and support affect the overall allocation of responsibility between Algo and the Third-Party Suppliers regarding (i) Algo’s performance of its obligations under this Agreement, and (ii) any Third-Party Supplier’s obligations relating to Client. Client shall be responsible for, and shall pay directly, any and all Taxes relating to the performance of the Agreement, provided that this paragraph shall not apply to taxes based solely on Algo’s income.

7.6 Late Charge. Client agrees to pay a late charge of one-and-a-half percent (1½%) per month or the highest amount allowed by Law, whichever is lower, on all amounts not paid to Algo when due. In the event timely payment is not made by Client, Algo reserves the right remit reminder invoices, account statements and other requests for payment without calculating or billing late charges and without waiving its right to do so at a later time.

7.7 Non-Payment. In the event Client fails to pay any fees and/or reimbursable expenses hereunder when they become due and payable in accordance with this Section 7, all then-current rights and licenses granted to Client to use any software of Algo shall be subject to immediate termination by Algo without notice. Immediately upon such termination Client shall be prohibited from further use of the Software and Algo shall be authorized to prevent further use of the Software by, among other things, disabling all software installed on all Client equipment, and denying Client access to Client's User Account. In addition, Algo shall be authorized to suspend further delivery of Services ordered by Client, even if they have been paid for. The remedies
set forth in this Section 7.7 shall be in addition to, and not in lieu of, any other right or remedy Algo may have at law or in equity with respect to Client’s failure to pay any fees arising hereunder.

8.4 Non-Solicitation. (a) During the Term and for twenty four (24) months after the date of termination or expiration of the Term (the “Restricted Period”), Client shall not directly, or indirectly through another person, (i) induce or attempt to induce any employee, contractor or consultant of the Algo to leave the employ or services of the Algo, or in any way interfere with the relationship between the Algo and its employee, contractor or consultant, (ii) hire any person who was an employee, contractor or consultant of the Algo at any time during the twelve (12) month period immediately prior to the date on which such hiring would take, or (iii) call on, solicit or service any customer, supplier, licensee, licensor or other business relation of the Algo in order to induce or attempt to induce such person to cease doing business with, or reduce the amount of business conducted with, the Algo, or in any way interfere with the relationship between any such customer, supplier, licensee or business relation of the Algo.

(b) If, at the time of enforcement of the covenants contained in this Section (the “Restrictive Covenants”), a court shall hold that the duration, scope or area restrictions stated herein are unreasonable under circumstances then existing, the parties agree that the maximum duration, scope or area reasonable under such circumstances shall be substituted for the stated duration, scope or area and that the court shall be allowed and directed to revise the restrictions contained herein to cover the maximum period, scope and area permitted by law. Client has consulted with legal counsel regarding the Restrictive Covenants and based on such consultation has determined and hereby acknowledges that the Restrictive Covenants are reasonable in terms of duration, scope and area restrictions and are necessary to protect the goodwill of the Algo.

(c) If Client breaches any of the Restrictive Covenants, the Algo shall have the following rights and remedies, each of which rights and remedies shall be independent of the others and severally enforceable, and each of which is in addition to, and not in lieu of, any other rights and remedies available to the Algo at law or in equity: (i) the right and remedy to have the Restrictive Covenants specifically enforced by any court of competent jurisdiction (without posting a bond), it being agreed that any breach or threatened breach of the Restrictive Covenants would cause irreparable injury to the Algo and that money damages would not provide an adequate remedy to the Algo; and (ii) the right and remedy to require such person to account for and pay over to the Algo any profits, monies, accruals, increments or other benefits derived or received by such person as the result of any transactions constituting a breach of the Restrictive Covenants. In the event of any breach or violation by Client of any of the Restrictive Covenants, the time period of such covenant with respect to such person shall be tolled for the amount of time the Client was in breach or violation of this Agreement.

9. AUDIT RIGHTS. Client grants Algo the right, which Algo will exercise at its own expense and no more than once per year, to enter Client’s premises during business hours for the sole purpose of examining Client’s records and other information relating to the Client’s use of the Software and Client’s compliance with the terms of the Agreement. In the event any such audit discloses that the Client is not in compliance with the terms of the Agreement, Client shall (a) reimburse Algo for all expenses
incurred in performing such audit, (b) pay any additional license fees due, (c) be subject to termination under Section 11 hereof, and (d) be subject to any other remedies set forth in these terms and conditions or available under law.

10. LIMITED WARRANTY.

10.1 Services (other than Business or Technical Consulting Service) and Software. Algo warrants that the Services will be performed in a workmanlike manner and the Standard Software will be free of material defects. Client must report in writing to Algo any defect in the Services or Standard Software within fifteen (15) calendar days of Client’s acceptance of the Services or Standard Software in order to receive warranty remedies. For any breach of the warranty contained in this section, Client’s sole and exclusive remedy, and Algo’s entire liability and obligation, shall be, at Algo’s election, to as soon as reasonably practicable either re-perform the Services or repair the claimed defect in the Standard Software or refund the fees paid for the Services or Standard Software which is claimed to be defective.

Algo shall be under no obligation to repair or replace the Services or Standard Software or refund any fees if (a) Client or any third party has made any changes to the Standard Software or to Client’s IT infrastructure, systems or integration which adversely affects the operation of the Standard Software; (b) the Standard Software has been misused or damaged in any respect; (c) any Client Data is incorrect, incomplete, corrupted or otherwise interferes with, causes errors or malfunctions in, or delays performance of the Standard Software or Service or (d) the defect in the Service or Standard Software was caused by third-party hardware or software malfunction or failure. NOTWITHSTANDING ANY OTHER PROVISION WHATSOEVER, THIS LIMITED WARRANTY DOES NOT APPLY TO, AND CLIENT ACKNOWLEDGES ALGO HAS NO RESPONSIBILITY FOR, ANY CLAIMED DEFECTS IN, OR CAUSED BY, ANY THIRD-PARTY SOFTWARE, SYSTEMS, APPLICATIONS, DATA BASES, TECHNOLOGIES, TOOLS OR SERVICES (“THIRD PARTY IT”) OR CONNECTION OR INTEGRATION TO OR WITH THIRD PARTY IT.

10.2 No Warranty on Business or Technical Consulting Services. Client acknowledges and agrees that Algo provides no express or implied warranty of any kind on Algo’s Business or Consulting Consulting Services, all of which are provided on an “AS IS”, basis.

10.3 Warranty Disclaimer. OTHER THAN AS EXPRESSLY SET FORTH ABOVE, ALGO DOES NOT MAKE ANY EXPRESS OR IMPLIED WARRANTIES, OR REPRESENTATIONS TO CLIENT, ANY OF ITS AFFILIATES, OR ANY OTHER PARTY WITH RESPECT TO THE SOFTWARE, THE DOCUMENTATION, OR ANY SERVICES OR WORKS OF AUTHORSHIP PROVIDED HEREUNDER OR OTHERWISE REGARDING THE AGREEMENT, WHETHER ORAL OR WRITTEN, EXPRESS, IMPLIED, OR STATUTORY. WITHOUT LIMITING THE FOREGOING, ANY IMPLIED WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE IS EXPRESSLY EXCLUDED AND DISCLAIMED. Algo does not represent that the Software or Services will satisfy Client’s requirements, that the Software or Services are without defect or error, that the Software will operate with any hardware or software not specified in the Documentation, or that any Software not provided by Algo will possess functional integrity.

10.4 LIMITATION OF DAMAGES. THE LIABILITY OF EITHER PARTY FOR ANY CLAIM OR ACTION, WHETHER IN CONTRACT OR TORT OR PURSUANT TO STATUTE OR UNDER ANY OTHER LEGAL THEORY (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE AND STRICT LIABILITY), RELATED TO ANY LIABILITIES OF ANY KIND WHATSOEVER, (INCLUDING, WITHOUT LIMITATION, LOSS OR DAMAGE TO CONTENT, WEBSITE, HARDWARE, OR DATA ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ITS SUBJECT MATTER, THE RELATIONSHIP CREATED BY THIS AGREEMENT, ANY SERVICES OR OTHER CONDUCT OR FAILURE TO ACT IN CONNECTION WITH THIS AGREEMENT), SHALL BE LIMITED TO ACTUAL, DIRECT DAMAGES IN AN AMOUNT THAT DOES NOT EXCEED THE FEE CHARGED BY ALGO UNDER THE STATEMENT OF WORK INVOLVED IN THE CLAIM FOR THE 30 DAY PERIOD IMMEDIATELY PRECEDING ACCRUAL OF SUCH CLAIM. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL OR INDIRECT DAMAGES, INCLUDING LOST PROFITS, EVEN IF ADVISED OF THE POSSIBILITY OF SAME, OR ANY PUNITIVE OR EXEMPLARY DAMAGES, OR ANY ATTORNEYS’ FEES PAID OR INCURRED EXCEPT AS OTHERWISE PROVIDED IN SECTION 15.11.

CLIENT ACKNOWLEDGES THAT THE PRICES PROVIDED FOR SERVICES IN THIS AGREEMENT HAVE BEEN ESTABLISHED BASED ON THESE LIMITATIONS, AND THAT THE PARTIES HAVE AGREED TO ALLOCATE RISKS BETWEEN THEM INCLUDING THE RISKS ASSOCIATED WITH UNCOMPENSATED DAMAGES.

11. TERM AND TERMINATION.

11.1. Term. The initial term of this Agreement shall commence on the Effective Date and expire thirty six (36) months thereafter (the “Initial Term”), unless otherwise specified in the Order Form or Statement of Work. Thereafter, this Agreement shall automatically renew for successive periods of twelve (12) months each (each a “Renewal Term”) if neither party sends written notice to the other party of non-renewal at least ninety (90) days prior to the end of the then current Term. For purposes hereof, the phrase “Term” shall mean the Initial Term, as extended by any Renewal Term.

11.2. Termination. Either party may terminate the Agreement at any time upon giving written notice as follows:
a. Upon expiration of the then-current term of the Agreement, provided that at least ninety (90) days’ prior written notice is given to the other party; or

b. In the event that the other party fails to discharge any obligations or remedy any default under the Agreement for a period of fifteen (15) days after the notifying party has given the other party written notice specifying such failure or default, and such failure or default is not cured during this fifteen (15) day period; or

c. In the event that the other party makes an assignment for the benefit of creditors, or commences or has commenced against it any proceeding in bankruptcy, insolvency, or reorganization pursuant to bankruptcy laws or laws of moratorium of debtor’s jurisdiction, as provided in Section 11.8 below.

11.3. **Termination Assistance Services.** Upon Client’s request, Algo shall, during the Termination Assistance Period, provide the Termination Assistance Services at Algo’s rates as set forth in a Statement of Work. After the expiration of the Termination Assistance Period, Algo shall at no additional cost promptly deliver to Client any remaining Client-owned reports and documentation still in Algo’s possession. Client shall specify the desired length of the Termination Assistance Period upon notice of its request for Termination Assistance Services.

11.4. **Exit Rights.** Upon the later of the expiration of termination of the Term, and the last day of the Termination Assistance Period (the “End Date”): (a) The rights of Algo to use Client Data and Client Property shall immediately terminate and Algo shall, and shall cause Algo Agents to (i) deliver to Client, at no cost to Client, a current copy of the Client Property and Client Data in the form in use as of the End Date, and (ii) destroy or erase all other copies of the Client Property and/or Client Data in Algo’s or Algo Agents’ possession. (b) Algo shall (i) deliver to Client a copy of any Custom Software which Client owns and has paid for, in the form in use as of the End Date and (ii) destroy or erase all other copies of the Custom Software in Algo’s possession. (c) All rights and licenses granted hereunder to Client shall terminate immediately and immediately upon such termination, Client shall (i) cease all use of the Subscription Software Services and all other Services and Software; (ii) return to Algo all copies of the Software, any Confidential Information of Algo, and all other Algo property; (iii) delete all copies of the Software embedded within any computer or merged within any other programs or stored on any storage media under Client’s control; and (iv) refrain from using its User Account. (d) Upon return of such materials, Client shall provide Algo with a signed written statement certifying that it has complied with (c) (i)–(iv).

11.5. **End Date.** All references herein with respect to the conduct of the parties, and the duties, rights and obligations owed by each party to the other, during the Term, shall be deemed to apply through and include the Termination Assistance Period, if any.

11.6. **Post-Termination Rights.** Termination of the Agreement shall not limit either party from pursuing other remedies available to it, including injunctive relief, nor shall such termination relieve Client of its obligation to pay all fees that have occurred or are otherwise owed by Client under the terms of the Agreement.

11.7. **Impact of Termination on Statements of Work.** Termination of this Agreement shall not automatically terminate existing Statements of Work, unless otherwise provided in the termination notice or unless there is only one currently effective Statement of Work. In the event the parties have executed and there are currently effective multiple Statements of Work, unless provided otherwise in the Statements of Work or the applicable termination notice, each Statement of Work shall be independent of one another and shall be treated separately for purposes of this Section 11; unless provided otherwise in a Statement of Work or a notice of termination, termination of one Statement of Work does not serve to terminate any other existing Statement of Work.

11.8. **Insolvency.** If Client, whether voluntarily or involuntarily, has an order for relief entered against it by a bankruptcy court under any Chapter of the Bankruptcy Code, becomes insolvent, whether on a cash flow and/or balance sheet basis, makes an assignment for the benefit of creditors, or any or all of its assets and/or operations are placed in the hands of a receiver, or Algo, in good faith, reasonably deems itself insecure as to the prospects and/or ability of Client to timely satisfy all of Clients obligations provided for herein, then Algo may terminate this Agreement by giving sixty (60) days’ notice by registered mail to the other party, specifying the basis for termination. If within sixty (60) days after the receipt of such notice, the party who received notice remedies the condition forming the basis for termination, such notice will have no effect, and this Agreement will continue in full force.

Notwithstanding anything herein to the contrary, and for so long as the termination provided for herein remains in effect, upon the giving of notice that this Agreement is terminated for any of the reasons set forth herein, any discounts, credits, adjustments, refunds or other reductions in fees granted by Algo to Client (“Fee Reductions”) shall be automatically cancelled and of no further force or effect, and Algo shall thereafter charge and be paid its fees at its standard rates for similar services.

Notwithstanding anything herein to the contrary, any bonuses and/or conditional compensation or remuneration of any type or sort that was or could be earned by Algo, but for such termination, shall become fully earned and immediately due and payable in full upon the giving of notice of termination by Algo. In such event, and absent any provisions to the contrary herein, all such bonus and/or conditional monies shall be calculated by taking the total amount of such bonus and/or conditional monies that could be earned by Algo hereunder, and multiplying same by the percentage of completion of the services and/or conditions necessary to permit Algo to fully earn such bonus and/or conditional monies, as determined by Algo in its reasonable discretion.

11.9. **Survival of Terms.** Upon termination or expiration of the Agreement, all provisions of these terms and conditions concerning the ongoing interests of the parties shall continue and survive in full force and effect, including without limitation, Sections 3.3, 3.4, 4, 8, 10, 11.3, 11.4, 11.5, 11.6, 11.7, 11.8, 12, 13, 14, and 15.
12. INDEMNIFICATION.

12.1. Infringement Arising out of the Software. If a third party claims that any of the Software infringes its US patent, copyright, or trademark, or violates its trade secrets, Algo will (a) defend Client against any such claim at Algo’s expense, and (b) pay all damages that a court finally awards, provided that Client notifies Algo in writing within thirty (30) days of the claim or cause of action, and gives Algo sole control of, and cooperates with Algo in, the defense thereof or any related settlement negotiations. If any such claim is made or is likely to be made (in Algo’s sole judgment), Algo shall, at its discretion, either obtain the right for Client to continue to use the affected Software or modify or replace the affected Software, provided the performance thereof is not adversely affected in any material manner. Algo shall have no obligation to Client under this Section if Client is using any version of the affected Software that is more than one (1) release behind the then-current version or if a claim is based on Client’s modification of the affected Software or its combination, operation, or use with any product, data, or apparatus not specified or approved in writing by Algo. Client shall indemnify, defend, and hold Algo harmless to the extent any and all claims, losses, suits, damages, and costs (including attorneys’ fees) result from any Content or the actions described in the foregoing sentence. This Section 12.1 states Algo’s entire obligation to Client and Client’s exclusive remedy with respect to any claim of infringement arising out of the Software.

12.2. Infringement Arising out of the Services. Each party (“Provider”) will indemnify and hold harmless the other party (“Recipient”) against claims that any information, design, specifications, instructions, software, data, or material provided by the Provider (“Material”) infringes a valid US patent, copyright, or trademark, or violates its trade secrets. If Provider determines that the Material is likely to or if the Material is determined in a final, non-appealable judgment by a court of competent jurisdiction to infringe a US patent, copyright, or trademark, or to violate a trade secret, Provider will have the option, in Provider’s sole discretion, to elect one or more of the following: (a) replace such Material; (b) modify such Material to make it non-infringing; or (c) require the return of such Material and all rights thereto from the Recipient. This right of indemnification set forth in this section only applies if (i) Recipient provides Provider notice of such claim or cause of action upon which Recipient intends to base a claim of indemnification hereunder within thirty (30) days of the claim or cause of action, (ii) Provider is given sole control of the defense and all related settlement negotiations relating to such claim or action, (iii) Recipient provides reasonable assistance and cooperation to enable Provider to defend the action or claim hereunder, and (iv) the claim or cause of action is not based on either changes or modifications to the Material made by Recipient, or the combination of the Material with third-party hardware or software. This Section 12.2 states Provider’s entire liability, and Recipient’s exclusive remedy, for any claim of infringement arising out of the Services.

12.3. Other Claims. Except for the remedies set forth in Section 10 above or where caused by the gross negligence or willful misconduct of Algo, Client hereby agrees to indemnify and hold Algo harmless from and against any and all third-party claims, damages, liabilities, and expenses (including without limitation attorneys’ fees) based upon or relating to Products and Services provided by Algo under the Agreement or the Client Responsibilities under Section 3.6.

13. EXPORT. The Client must comply with the US Export Control Laws and keep records required by the US Export Control Laws. The Client shall be solely responsible for compliance arising from any (a) exports of Products or Services from the US, (b) reexports and in-country transfers of Products or Services after an export of such Product or Service from the US, and (c) deemed exports of Products or Services to foreign nationals as defined under the US Export Control Laws. Further, notwithstanding anything in this Agreement to the contrary, the Client will not (x) export or reexport any Product or Service outside of the Territory, (y) export or reexport any Product or Service to anyone on the US Treasury Department's Specially Designated Nationals List, the US Department of Commerce Denied Persons List or Entity List, or any other person so restricted by US Export Control Laws, or (z) use any Product or Service for any purposes prohibited by US Export Control Laws, including, without limitation, the development, design, manufacture, or production of nuclear, missile, or chemical or biological weapons. The Client shall defend, indemnify, and hold harmless Algo from and against any and all costs and damages incurred as a consequence of Client’s failure to comply with any US Export Control Laws. The Client is responsible for any breach of this Section 13 committed by its parent, affiliates, employees, officers, directors, customers, agents, distributors, resellers or vendors, as well as such parties designated by its successors and permitted assignees.

14. INJUNCTIVE RELIEF. Client acknowledges that remedies at law may be inadequate to provide Algo with full compensation in the event of Client’s material breach of the Agreement or any intellectual property rights of Algo, and that Algo shall therefore be entitled to seek injunctive relief in the event of any such material breach without having to post bond, and to recover its costs and expenses, including attorney fees, incurred in doing so.

15. GENERAL PROVISIONS.

15.1. Independent Contractor. It is expressly agreed and understood between the parties hereto that the relationship of the parties shall be that of independent contractors, and nothing in this Agreement shall be construed or interpreted as creating a legal relationship in which a party may be deemed to be an agent, partner or joint venture of the other party or have joint and several or vicarious liability for the actions of the other. Neither party shall have any authority to act for or bind the other party in any manner, nor shall either party represent itself as an agent of the other party or otherwise be authorized to act for the other party. The parties further agree and understand that the Client shall not withhold or pay over on behalf of Algo or the Client any amounts relating to federal, state and local taxes, unemployment compensation, workers' compensation or any
other employer liability or responsibility. Algo agrees and understands that it is totally responsible for the timely reporting and payment of income taxes and other governmental liabilities resulting from the performance of the services hereunder, which responsibility is not borne nor shared by the Client in any manner whatsoever. The Client shall file a form 1099 (or the equivalent) each year, as required by applicable law.

15.2. Assignment. Client may not assign, sublicense, or otherwise transfer the Agreement or the license granted to Client hereunder, or any of its rights or obligations under the Agreement, to any party without the prior written consent of Algo, which consent shall not be unreasonably withheld. The Agreement shall be binding upon and inure to the benefits of the parties, their legal representatives, permitted transferees, successors, and assigns as permitted by the Agreement.

15.3. No Waiver. No delay or failure in exercising any right hereunder and no partial or single exercise thereof shall be deemed to constitute a waiver of such right or any other rights hereunder. No consent to a breach of any express or implied term of the Agreement shall constitute a consent to any prior or subsequent breach.

15.4. Notices. All notices required to be given hereunder shall be given in writing and shall be delivered to the signatory at the address set forth on the signature page, or such other person and address as may be designated from time to time in writing, either (a) by hand, (b) by certified mail with proper postage affixed thereto, (c) by nationally recognized overnight courier, or (d) by facsimile or email (with confirmation copy subsequently sent to the other party by regular mail). All such communications shall be deemed received by the other party upon the earlier of actual receipt or actual delivery.

15.5. Severability. If any provision hereof is declared invalid by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such invalidity, so that the remainder of that provision and all remaining provisions of these terms and conditions shall be valid and enforceable to the fullest extent permitted by applicable law.

15.6. Force Majeure. Neither party shall be liable for delay in any of its performance hereunder due to causes beyond its reasonable control, including but not limited to, an act of God, war, pandemic or a natural disaster.

15.8. Complete Agreement. These terms and conditions, and all exhibits signed by Client, supersede in full all prior discussions and agreements, oral and written, between the parties and constitutes the entire understanding of the parties relating to the matters set forth herein.

15.9. Amendment or Modification. No amendment or modification of these terms and conditions or any exhibit signed by Client shall be valid or binding upon the parties unless it is in writing and signed by the duly authorized officers of the parties.

15.10. Conflicts. In the event of any discrepancies between these terms and conditions and an exhibit, these terms and conditions shall prevail over the exhibit unless the exhibit specifically states that it is intended to prevail over these terms and conditions.

15.11. Attorney Fees. In the event of any dispute between the parties concerning this Agreement, the substantially prevailing party shall be entitled to recover its attorney fees in any legal proceeding, including any appeals, and any legal fees incurred in connection with the dispute prior to the institution of legal proceedings.
